ABOUT CENTRE GIVES

Centre Gives was founded in 2012 by Centre Foundation as a part of the national project “Give Local America.” For 36 hours each May, people from across the Centre region (and the state and country) are encouraged to give back to local non-profit organizations. This online giving campaign is boosted by a \$100,000 stretch pool from Centre Foundation. In 2015, each \$25 was worth \$28.25, and over \$750,000 was given to companies within Centre County. State College Community Theatre has been participating since the program’s inception, and we would like to count on your donation this year! If you are unable to donate online (or think you might forget), please fill out this card and return it to us! Funds raised through Centre Gives help SCCT continue to provide high-quality theatrical entertainment and education in the Centre Region.
